Dynasty Series Overview

Arnold Kolax Dynasty Casegoods

Arnold Kolax casegoods are available in several designs. The edge detail for the Dynasty line is illustrated here.

Dynasty Series is a gracefully rounded design that adds a new dimension to office furniture. **Dynasty**, ideal for executive applications, features half-round ends and a flush top, thus forming a racetrack shape in plan.

A two-inch thick top is standard, with solid wood banding and a slight radius edge. Also available on special order as a completely flush design without banding or with a reeded edge — see options.

Recessed modesty panels on desks are standard unless noted otherwise. Purse shelf is standard.

Locks, located in the kneewell, are standard on all desk pedestals, credenza pedestals, and files. Locks are optional on center drawers on desks, credenzas doors, and bookcase doors.

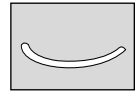

Pullout writing shelves above top drawer on each desk pedestal is standard.

Desk pedestals are 15.75" wide, for front-to-back letter filing, or side-to-side legal filing.

Drawers are .5" premium solid maple or plywood, with .188" plywood bottoms reinforced with anti-rattle glue blocks. Drawers are four-sided construction with chuck and bore joinery, and finished with a durable maintenance free lacquer.

Drawer fronts are .75" thick, three-ply construction, with .75" solid wood vertical internal bands.

Pulls. Brushed nickel pulls are standard on all GDYFC units, and on all bookcase doors, unless polished brass or black is specified. Finger pulls for drawer are also available: Option 22, + \$78. per drawer.

Touch-latch doors are available on request.

Suspensions on both box and file drawers are three part, progressive action, full extension precision ball bearing slides. Center drawer suspensions are three-quarter extension precision ball bearing slides.

Bookcase shelves are 1" thick particle board with veneered surfaces. Shelves are fully adjustable. Shelf holes are drilled on a 32mm system approximately 1.25" apart.

Woods:

The Dynasty Series is offered in Walnut, Sapele (Mahogany), White Oak, Cherry and Maple veneers, with 24 finish colors (stains) from which to choose. A semi-open pore, 50° sheen, water and alcohol resistant top coat is standard.
