

power & data options

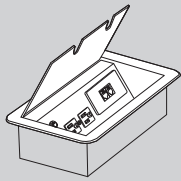

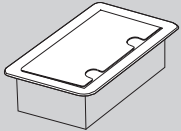

arnoldkolax

Arnold Kolax Furniture, Inc.

Options: Power, Data and Voice

Important notice about option numbers 141, 144, 156 and 158:

These units have their data and voice capabilities based on connector plates. These connector plates are interchangeable and can be upgraded or downgraded to meet the customer's needs. **A quick list of the most common and popular connectors are shown at the bottom of this page.** To find the right combination of connectors to fit your client's needs please contact the factory. The great feature is that these connector plates are interchangeable—even after the table is on site. The only limitation is how many jacks will fit on the limited space available on each communication plate. Please contact factory for pricing on special communication plates.

Option #141 Interact (with metal or wooden lid)

Description: Hinged door Power, Data, and Voice grommet. Metal unit with flip open door on hinge. Available in three different finishes. Unit is shallow and does not have to sit over base to conceal wires. Metal door unit size is 8.98"W x 5.34"D x 2.78" deep below table surface. Made in the USA. Corded metal lid unit with plug is UL listed and CSA approved.

Standard Items: Two power receptacles, 144" power cord with molded plug.

Optional Items: RJ11 Voice Cat3, RJ45 Data Cat6, 15 Pin HD Video, BNC, USB type A, USB Type B, RCA, Mini stereo, S-Video, hardwiring of power cords, and longer power cords up to 15'. See bottom of page for more details. Available finishes are black textured metal, brushed stainless steel and polished stainless steel. Call factory for pricing on these options if not listed below.

Please order by option number below. If no option number is specified factory will supply option #141-A.

| Option # | Finish | Lid Type | Cord Type | Data | Voice | Video | Mini Stereo | List Each |
|----------|--------|----------|--------------|------|-------|-------|-------------|-----------|
| 141-A | Black | Metal | 144" w/ Plug | 1 | 1 | 0 | 0 | \$353.00 |
| 141-B | Black | Metal | 144" w/ Plug | 2 | 1 | 0 | 0 | \$384.00 |
| 141-C | Black | Metal | 144" w/ Plug | 3 | 0 | 0 | 0 | \$394.00 |
| 141-D | Black | Metal | 144" w/ Plug | 1 | 0 | 1 | 1 | \$386.00 |
| 141-E | Black | Metal | 144" w/ Plug | 2 | 0 | 1 | 0 | \$403.00 |

For Brushed Stainless Steel Finish add \$155.00. For a Polished Stainless Steel Finish please add \$600.

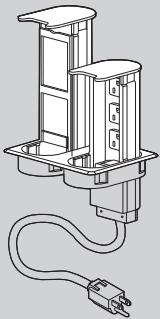

For a unit with a wood hinged door to match finish of surrounding table top please add \$350.

Unit with wood lid door cannot be placed at table seam.

For a hardwire ready unit with 144" metal flex whip please add \$65.

The Interact has half the capacity of Option #158 Interface I.

The Interface II Option #156 has four times the capacity of the Interact.

Option #142 Retractable Power & Communications Center

Description: Retractable Power, Data, and Voice grommet. Molded plastic unit with pull up access. Available in seven cap finishes. UL listed and CSA approved. Size is 5.375"W x 4.125"D x 7.5" high when pulled up.

Standard Items: Three power receptacles, 120" power cord with molded plug.

Optional Items: RJ11 Voice Cat3, RJ45 Data Cat5, hardwiring of power and longer power cords. Call factory for pricing on these options if not listed below.

Please order by option number below. If no option number is specified factory will supply option #142-A.

| Option # | Finish | Cord Type | Data | Voice | Video | Mini Stereo | List Each |
|----------|--------|--------------|------|-------|-------|-------------|-----------|
| 142-A | Black | 120" w/ Plug | 1 | 1 | 0 | N/A | \$386.00 |
| 142-B | Black | 120" w/ Plug | 2 | 1 | 1 | N/A | \$408.00 |
| 142-C | Black | 120" w/ Plug | 4 | 0 | 0 | N/A | \$419.00 |

For Grey, Neutral, Translucent, Nickel Mica, Silver Mica, or Charcoal Mica cap finish add \$40.

For a hardwired unit please add \$45.

Please also see option #143 for a similar unit with only power capabilities.

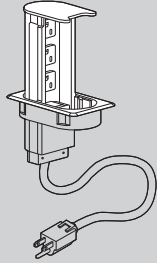

A quick list of the most common and popular connectors are:

RJ11 Cat3, RJ45 Cat6, 15 pin HD VGA video, 3.5mm mini stereo, RCA, USB Type A, USB Type B, S-Video, DVI, 9 pin D Sub, 3 pin XLR, 25 pin D sub (printer), BNC, Twin AX, Coaxial (type F), DIN connector (for mouse or keyboard), Firewire, ST fiber connector, twinaxial, MT-RJ fiber connector and more.

Options: Power, Data and Voice

Important notice about option numbers 141, 144, 156 and 158:

These units have their data and voice capabilities based on connector plates.
